

Harness IGNITE Skyfizz

Product information

All-round harness for maintenance work and construction. With comfortable large-area and breathable back padding that ensures an even distribution of the load. The robust harness has durable plastic material tool eyelets (15 kg load capacity). The double-wrapped and firmly sewn terminations secure loose webbing and prevent slipping. Can be hand washed up to 40°C.

Anchoring: Dorsal and sternal.

Material: Polyester and steel

Marking: According to standard, CE-marked, Supplier symbol, product id, size/length, production date

Temperature range: -35°C up to 45°C

Standard: EN 361

Chest anchoring Rear / dorsal D-ring
