

## Harness IGNITE Skyfizz

### Product information

All-round harness for maintenance work and construction. With comfortable large-area and breathable back padding that ensures an even distribution of the load. The robust harness has durable plastic material tool eyelets (15 kg load capacity). The double-wrapped and firmly sewn terminations secure loose webbing and prevent slipping. Can be hand washed up to 40°C.

**Anchoring:** Dorsal and sternal.

**Material:** Polyester and steel

**Marking:** According to standard, CE-marked, Supplier symbol, product id, size/length, production date

**Temperature range:** -35°C up to +45°C

**Standard:** EN 361
