Column Mounted Jib Crane BOSS B

Product information

Heavy column mounted slewing jib crane for indoor/outdoor use.

The Vetter BOSS slewing jib crane is designed to perform extraordinary jobs. The infinite slewing range means that the crane can be used under the most difficult and tough conditions. It has a capacity up to 63.000 kg and can be used in warehouses, power plants, steel works etc. and on large-volume excavators and dredgers.
Special models with a capacity of up to 100 t and an outreach of 25 m is possible.

Advantages:

- Infinite slewing by 360°
- Large capacity and outreach
- Optional electrical slewing gear
- Outdoor use is possible
- Suitable for explosion protection according to ATEX (option)

Contact our crane department for more information.
