Maintenance & Repair

Product information

CERTEX offers inspection, service and maintenance of a variety of products, on site in our workshops. Hand in your equipment with us and you will be helped by our trained staff, which contributes to efficiency, control and faster service for you.

We also check that you have all documentation and labeling in place and available, so that you meet the requirements of authorities, laws, rules and norms.

Send a quote request or book by filling out the form below, and we will contact you!
